Giselle's Journey to Leadership: A Parental Commitment

Giselle will be backed by her parents' inspiring vision, expertise, and commitment to her development as they raise her to become a future leader equipped with creativity, resilience, and financial know-how to thrive.

Giselle's Introduction

Dear Sir/Madam,

We are Vincent and Bowie, proud parents of Giselle Cheung (Hoi Wun 凱媛), a lively four-year-old with a bright, curious spirit and a warm smile. We cherish her all-around growth and dream of her excelling in academics, arts, and sports.

We encourage Giselle's logical thinking and patience through LEGO and puzzles, building her STEAM skills. She's developing communication and teamwork in ballet, competing with teammates of all ages. Her creative drawings, with details like parks and skies, reveal her vivid imagination.

Family moments—like feeding animals in Tokyo or dancing in Hong Kong's Tin Hau Festival—spark her curiosity. At home, she cares for our two dogs with kindness and duty.

Giselle is growing confident and adventurous, shining in recitations and leading dance performances. We believe your school will nurture her academic, artistic, and athletic gifts. Thank you for considering her—we'd love for her to join you!

Sincerely,
Vincent Cheung and Bowie Leung
